“Not Only Do We Have To Protect The Panda Bear, We Have To Protect Humanity”

Among Our Primary Objectives At The Beginning Was To Participate In
The Fight To Cure Cancer & Other Genetic Disorders.

Over Time We Began To Participate In The Struggle To Find
A Cure For Indifference Towards Tolerance and Acceptance.

We Found Our Niche In Exhibiting The Past And Facilitating Discussion On
How To Improve Ourselves For The Future.

How? With What Tools? Believe It Or Not, One Interesting Way
Is With Numismatic and Philatelic Material Telling A Story Of A
Complete Breakdown In Humanity During WWII !!!

**Take A Look In English, Greek, Italian, German, Polish
and now Chinese!!!**
